

- ✓ Coat shine that instantly delivers a beautiful finish
- ✓ Keeps mane and tail from becoming matted
- ✓ Dust and dirt-repellent
- ✓ Reduces bot fly eggs in the coat

User instructions:

Brush the horse as usual and shake the Super-Shine well before use. Apply a thin layer of Super-Shine. To finish, give the horse a light brush. Tip: if the horse is afraid of the spray, you can use a cloth or sponge instead. To get the best result: use on a freshly washed horse with a damp coat. Once the coat is dry, brush the horse again and enjoy the unique shine from Super Shine. For external use only, keep out of reach of children.

Ingredients:

Contains preservatives, Methylisothiazolinone, Benzisothiazolinone, Methylchlorisothiazolinone.

Storage:

Store the product in a dry place and away from heat, direct sunlight and frost.
